My dear Sir

With refce to Govt order authorizing payment of a further sum of Rs 2250 to Mr Hamid - Mr Hamid has shown me the Subsidy List in which I see Govt has taken up 50 fifty shares. Opposite this entry there is the remark that "Rs 2250 to be paid at once" Does this

form part then of the 50
fifty shares? If not,
if the 2250 is a separate
loan on the mortgage
of the Concern - where
is the authority to be
found by the Directors
to raise this loan? No
other paper is read in
the Court Pro referred
to than what was

by me. I think
there should be such
a document in our
possession before payment
is made. I think
also the Directors should
know the Govt order
now passed & with
that knowledge receive
the money if they wish to
raise the loan of 225 to separately
Mr Hurd mentions
payment to be made
at once. Price 2

GOVERNMENT OF MYSORE 11-1-96 Bangalore

My dear Sir,

Your D. O of the 10th instant to hand. Mr: Stund was first promised a loan of Rs ten thousand. Of this five thousand was paid last year, while the balance was ordered to be paid on completion of works. Mr: Stund having subsequently converted the concern into a Company, objection was taken to his right to apply for the said unpaid balance of Rs five thousand. He thereupon produced certain papers which showed that the Directors were willing to accept liability in respect of this sum also.

Where are these papers?
15/2/97

He

He represented to the Dewan that if instead of lending this sum Govt invested it in shares, it would act as an incentive to other people to take shares. The Dewan was unwilling to comply unless he was sure that at least half the share capital would be subscribed by people. Hence the condition that if this is not done, the sum of Rs 2250 to be now paid should be tacked on to the existing mortgage of five thousand. The Govt have agreed to take shares not in addition to the unpaid loan of five thousand Rs but in lieu thereof. Of course, this cannot be given effect to if the Directors are not

agreeable to it.

Mr: Hounds letters of the 18th ultimo with its enclosures is herewith sent for reference.

My dear Sir,

The original mortgage covers all the ten thousand Rupees. There is also the acceptance of liability to this extent by the Directors. No fresh document seems therefore now necessary. The terms are distinctly laid down in the Govt order.

Yours very sincerely

Sir,

It is with great regret I beg to state that a very few shares have been taken up since and after the formation of the Coy: and no shares have been taken up after your Honor were kind enough to agree on behalf of Mysore Government to take for Rs 5000/- shares in my limited Company if Rs 45000/- worth of shares have been taken up (bona fide) by the public. The reason why the public is not coming forward is stated by all classes as follows:-

The Government of Mysore is actually the owner of the Concern by having 1st & only mortgage on everything. Besides the public says that Mysore Government which should actually take a deep interest in a concern like this has failed to do so. The Rs 5000/- which the Mysore Government were kind enough during the time of His late Highness The Maharaja to give me as a loan for 2 years (no interest) is due to be paid back by the 2nd of this month. The Limited Company took over this loan when the Company was floated and I am unable now to meet it as there is no money in the bank.

The future of the concern and the prosperity is secured now after having taken so much trouble by myself and the directors, and the Company will be able to shew good results by the end of 2nd years working which will shew profits if the Government of

By conditions laid down. I should pay the principal amount of Rs 5 000/- together with 5% interest thereon. (Rs 6500) by the end of this month which I cannot do & I therefore request you to shew me some actual interest by taking Rs 10,000/- worth of shares so that the lien may cease and the stability of the Concern in the eyes of the public gets a better footing. Besides I humbly request to give permission (by amending the old rules) to the officials of the Mysore state to take shares in the concern.

I beg to remain

The Secretary to the
Government of Mysore
Revenue and General Departments

Sir,

With reference to correspondence (43) ending with Mr. Purnaya's D. O. letter dated 4 January 1896, I have the honor to submit herewith in original letter dated 20th Instant from the Directors of Hindu Soap and Candle works, forwarding for payment Bills aggregating Rs 1690-2-0 on account of additional improvement works executed to the building under para 1 of the Proceedings Rs 3056/G.T.S-94 (16) dated 22nd August 1894.

2. Under the above order, a sum of Rs 5000/- was advanced to Mr. Hindu with the promise of another equal sum on

on the completion of the works &c, and a mortgage deed was taken from him, dated 29th August 1894

3. On the 22nd May 1895, Mr. Arnold sent in a memo of machinery purchased for Rs 2250/- and applied for payment of the same. But as the concern was converted into a joint stock Co. Government promised instead, to take 50 shares of 100 each, provided 45000 Rs worth of shares are taken by bonafide shareholders. Vide Government Order — No 5884-85 (39) / 348 dated 8th January 1896.

4. These terms were accepted. But Mr. Arnold, who saw me today, says that the value of the shares has since been reduced to 10 Rs each, and that no shares have yet been subscribed for by the public.

5. The sum of Rs 2250, sanctioned as an addition to the 1st loan of 5000 Rs was paid under the authority of the above order of the 8th January last, as intimated to you in Mr. Purnaya's D.O. written in the same month. (not dated in the office Copy).

6. As the proposal to my shares buy

on

on behalf of Government has fallen through on account of 45000 Rs worth of bona fide shares not having been taken, Mr. Hund falls back on the original order granting a loan of Rs 10,000, of which a balance of Rs 2750 has yet to be paid to him - Out of this balance, he now requests the payment of Rs 1690-2-0, as he has executed certain works to that extent in addition to those which have been already mortgaged to Government.

7. The repayment of the loan of Rs. 5000 with interest falls due on the 29th. Proximo, but Mr. Hund says that he will not be able to meet the debt on due date.

8. In the mean time, I have the honor to solicit instructions as to whether the works executed since should be measured and the value thereof, viz, 1690-2-0 be paid to Mr. Hund out of the originally sanctioned loan of Rs 10000.

I have the honor to be
Sir
Your most obedient Servant.

The Dr Commissioner does not say how the cost of the improvements was estimated whether by Mr Hund himself or any professional agency. His inspection has apparently been of no avail.

If approved, the Dr Comm may be requested to arrange for deputing a professional man to estimate the cost of the improvements recently made & himself to report whether the additions were absolutely necessary.

With reference to Government Proceedings No. 2073-74 (5-2) of the 21st ultimo, R.780.95 sanctioning the grant of advance of Rupees 1,609—12—a to the Directors of Shundi's Soap and Candle Works, has the honor to state that the cost incurred for the improvement of the building was Rs. 1,690—3—a, as per bills received from the Directors, but by a clerical error and transposition of the figures, Rs. 1609—12 was stated in this O/K

It is a pity that such a mistake was made in the D.C. docket No. 146 d. 12 Sept. 1896.

The ~~sct~~ correct sum of Rs 1690-2 is written the sum due out of the 1000 Rs sanctioned. It may be sanctioned in lieu of Rs 1609-2-a sanctioned in Rev No. 2073-74 d 21/8/96. R.F. 80-95
